

QCNNY Block of the Month

April 2006

Pinwheels, an 8" Block

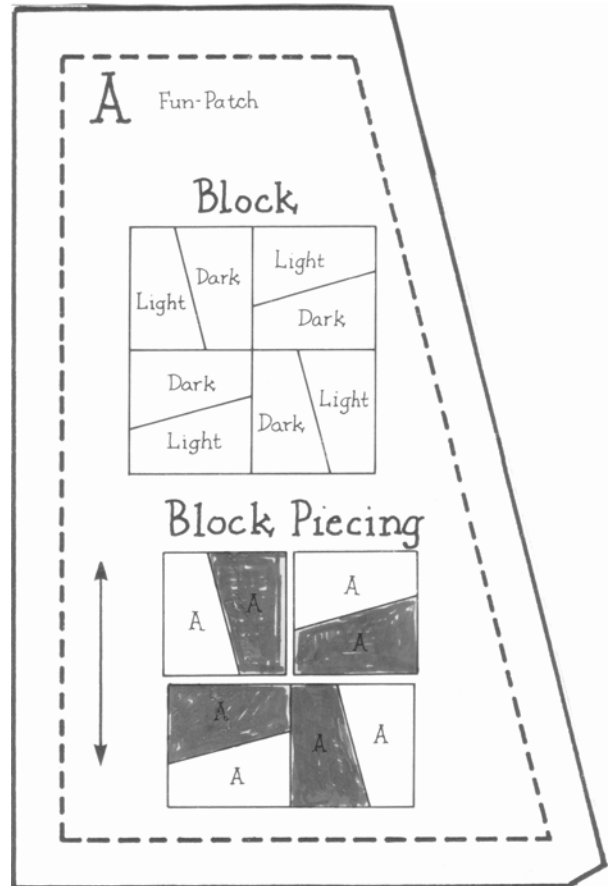

Submitted by Winifred Sanders

Key:

L = Light

D = Dark

Colors: NO yellow or orange please. This is a scrap quilt; make use of your leftover light and dark pieces! The light fabrics placed outside the dark fabrics form the pinwheel.

Instructions:

Make a copy of the template and trace onto fabric. Mark your $\frac{1}{4}$ " seams lines so your block will be accurate. Sew dark sections to light sections as illustrated above, then sew blocks together. Be sure to check that you have positioned the units correctly before you sew!
