

QCNNY Block of the Month  
May 2007 (by Rhona Triggs)

Man  
This is second of a male/female pair

Cut a background fabric at least 15" x 10". The winner of the blocks can trim the final size of the block. As with the woman figure you will cut the body parts and fuse and ziz-zag on the cream background fabric. Position the head, arms and legs to make the figure 12" tall. Make clothing for the man. This may be a king's robe or dashiki outfit of pants, top, and shoes.
